

GROWING AND LEARNING TOGETHER

Highfield Nursery School
EYPP Strategy and Report

EYPP Strategy

Highfield Nursery
School

Improve outcomes in Communication and Language

Intent: To enrich children's communication and language experiences and to build on and develop speaking, listening and understanding.

Improve outcomes in Personal, Social and Emotional Development

Intent: To build on children's personal, social and emotional development. To improve children's well-being and ability to regulate and manage feelings and behaviours as well as build on their relationships with adults and peers.

Enrichment experiences

Intent: To enrich experiences within the nursery and to support parents with the cost of trips

Free School Meals

Intent: To provide Free School Meals for those children whose parents find the cost prohibitive and therefore could impact on attendance to nursery

Financial statement

Total EYPP allocation in 2024-25: **£9354.84**

Monitoring and Implementation

Area	Challenge	Mitigating action	Cost
Intent: To enrich children's communication and language experiences and to build on and develop speaking, listening and understanding.	Ensuring enough staff time allocated to intervention sessions.	1 full day per week release time to carry out targeted support through WELLCOMM assessments, Early Talkboost and Speech and Language sessions. Costs of this have been topped up with school funding. Shared with parents on Tapestry and phone calls between parents and practitioner	£6,840
Intent: To build on children's personal, social and emotional development. To improve children's well-being and ability to regulate and manage feelings and behaviours as well as build on their relationships with adults and peers.	Ensuring enough staff time allocated to intervention sessions.	One day per week for DMP sessions and ½ day per week Theraplay sessions. This has been topped up with school funding. Shared with parents on Tapestry and phone calls between parents and practitioner Use of Highfield Resilience tracker to monitor	£4,560
Intent: To enrich experiences within the nursery and to support parents with the cost of trips	Accessing experiences that are able to come into school	Chick and duckling hatching experience and a puppet show into school. Costs of this have been topped up with school funding and external funding grants. Support offered to parents to pay contribution to school summer term trip of £5	£675
Intent: To provide Free School Meals for those children whose parents find the cost prohibitive and therefore impacts attendance to nursery	Ensuring children in all day access free school meal where parents struggle to pay	Take up of parents using EYPP funding to pay for school meals increased this year as cost of living has increased. This has been topped up with school funding.	£2,394

We cannot thank Highfield enough for providing XX with this level of support. Mrs H has been amazing and each week we are grateful to see the videos of the sessions. Mrs H is always so incredibly patient with XX and although she always challenges him, this is never done compromising his enjoyment. We have really noticed the impact of the progress he has made, particularly at home where he is much less frustrated and will now accept comfort from various family members. Thank you

Thank you so much for helping me with my speech. It has given me a lot of confidence which I know will help me at school!

Just wanted to say to you all what a fantastic trip to Frinton! The staff couldn't have done more to support me and XX. They were friendly, playful and did not stop all day! We felt safe in the knowledge that your staff were vigilant at all times, often noticing things before us parents did.

Thank you very much again for your great commitment to include XX to the nursery. It is very great to see that her friends and the adults are all learning the signs so she can communicate with all. We are very grateful for all your efforts and very happy that XX is part of this nursery community.

PARENT FEEDBACK

After the DMP session XX did some hanging exercises over the weekend which he enjoyed and found very funny. We explored the yoga ball which XX has been rolling and bouncing on (via Tapestry)
