MISS S. BUTCHER -

"I would highly recommend EarlyYears@Highfield-Whitehouse. It's always hard leaving your child for the first time with people you don't know but i can say I completely trust and do not worry leaving my child. They are all amazing with her and she loves them. She has thrived beyond belief since being with them and I can't thank all of the staff at EarlyYears@Highfield-Whitehouse enough for everything they have done and continue doing for my daughter."

MISS J. INGHAM -

"Our experience has been amazing, My child loves going to nursery and learning different things each day. They try new foods which I've tried to get them to eat at home but with all their friends around them at nursery, they want to try it and enjoy it. I love hearing about their day and seeing photos of them learning and having fun. The support of the staff has been spot on from toilet training, fussy eating, making friends and helping with emotions. I can't thank them all enough, plus I feel my children are safe with the gates and entry system."

Parent Testimonials

"I have nothing but high praises for this nursery, My son has additional needs and all the staff have been very helpful, caring and understanding in supporting my son and myself, helping us and being there for anytime we have needed. He has definitely improved in areas since being here, we honestly wouldn't have got as far as we did without there help. Both the Manager and his key person have always made time to help with any problems I've had. A massive thank you to all the staff for being the best for my son, but most importantly his key person for teaching him new things and always being there."
